GENERAL TERMS & CONDITIONS

Eligibility and Reward Claim:

Introducing Brokers (IBs) participating in Winpro FX's Loyalty Reward Program are eligible to claim rewards only after completing a 90-day period from the date of sign-up.

Reward Program Limitation:

Each IB may only participate in one reward program at a time. Upon completing a program cycle, the IB can apply for another available reward program.

Loyalty Reward Program:

The Winpro FX IB Loyalty Reward Program concludes annually on December 31st. To receive rewards, IBs must claim them by this date, as unclaimed lots will not carry over to the following year. This program applies exclusively to trades in Forex, Gold, Silver, and Oil.

Program Applicability and Exclusions:

This campaign is valid across all account types offered by Winpro FX, with the exception of clients trading through PAM or MAM accounts, who are not eligible to participate.

Performance Calculation:

Only the IB's own performance and that of direct clients will count toward rewards. Trades made by sub-IBs are not included in the performance assessment.

GENERAL TERMS & CONDITIONS

Resetting Lot Balances:

When a reward is claimed, the IB's lot balance will reset to zero, requiring a fresh start to accumulate lots for the next reward.

Misconduct and Disqualification

Winpro FX reserves the right to disqualify any IB engaged in activities deemed irregular, such as scalping, price manipulation, or liquidity abuse.
